Dear parents and carers,

RE: Code of Conduct

At John Wood School and Nursery, we are committed to maintaining a safe and respectful environment for all members of our school community. To support this, we kindly remind all parents and carers of the following expectations:

- Speak to all staff, pupils, and other parents respectfully — shouting, aggressive language, or intimidation **will not be tolerated**
- Follow school procedures when raising concerns or complaints
- Respect staff decisions and professional boundaries
- Do not approach or confront other people's children on school premises
- Use appropriate language and behaviour when on or near school grounds

Please be aware that the school has the authority to **restrict access to the site** if any parent/carer behaves in a way that compromises the safety or wellbeing of staff or pupils.

These decisions are made carefully, considering the context, but our priority remains the safety of our school community.

Yours faithfully,

Julie Davis
Principal

Principal: Miss J Davis
